Date: 24 March 2017

A [All] PVPS 20th Anniversary Celebrations

(Ms Loh Peck Jin and Ms Nur Ain, KP i/c)

The school is celebrating its 20th anniversary this year. To commemorate this historical milestone, we will be having a range of exciting activities for the PVPS family and community over the year.

In the spirit of community bonding, we will have a sports carnival on Friday, 30 June. We warmly welcome you to join in this event which supports healthy and active living. This carnival will replace the PVPS Olympics.

We will also publish a year book this year, detailing the school's significant moments and key programmes. This will replace the PV2U newsletters.

We will share more updates nearer the celebration.

B [All] Positive Parenting Talk (Parenting with Tetramap®)

(Mr Edward Leong, VPA)

The school is having a Positive Parenting talk for parents. At this talk, parents will learn how to use a cross-cultural behavioural model based on a rich and meaningful metaphor of nature (elements of Earth, Air, Water and Fire) to assist in defining aspects of people's nature. This model aims to reduce conflicts and build positive relationship by helping parents respond more appropriately to the behaviour of the child. In this 3-hr workshop, parents will:

- increase self and social awareness through TetraMap® profiling
- emerge their respective Tetra-elements in different parenting contexts
- improve relationship management through effective communication

Details are as follows:

Date of Talk: Sat, 8 Apr 2017

Time: 9am – 12 noon

Venue: Park View Primary School, AVA Room, Level 3

Speaker: Mr Danny Tong, Adam Khoo Learning Technologies Group

Please register through the SNAC app by Fri, 31 Mar. For further enquiries, please contact Mdm Mandy Siang, the school's Family Matters @ School Coordinator at 8322 0503.

C [P6] St Joseph's Institution (SJI) Open House

(Mr Riza, Year Head)

St Joseph's Institution is having its open house on Sat, 1 Apr, 9am to 1pm. This event is open to Primary 6 boys (and their parents) who are interested to find out what SJI offers. Prior registration is required. Priority goes to current P6 boys who are seeking Secondary 1 admission in 2018. For more information about this event, visit <https://www.sji.edu.sg/news-and-events/announcements/2017>.

D [P5] Learning Journey to Singapore Science Centre

(Mrs Balan, LT Sc)

The school is organising a Learning journey to Singapore Science Centre on Tue, 4 Apr, 1 to 5pm for students to have a deeper understanding of 'States of Matter'.

Students report to school as per normal and will have their usual lessons until 1pm that day. They will then have their lunch in school before they leave for the Science Centre.

We require parent volunteers to assist us in this learning journey. Please respond through the SNAC app by Wed, 29 Mar.

Mdm Haslindah Bahrom
Vice Principal

Mr Edward Leong
Vice Principal Administration
