A [All] Meet-the-Parents' Session (Year Heads)

At the end of term 2, the school will be conducting the Meet-the-Parents' Session where teachers meet up with parents to discuss the academic progress and character development of our students. It will be held on **Friday, 26 May 2017 (2.30 pm to 6.00 pm)** and **Saturday, 27 May 2017 (8.30am to 12.00pm)**, and the teachers meet with selected parents to discuss the child's progress in his work as well as other concerns that would enhance his learning and development.

You will be informed separately at a later date if the teachers need to meet up with you. As priority will be given to parents whom the teachers would like to meet on that day, for other parents we seek your understanding. If you would like to find out more about your child's learning and development, you may email the teacher(s). The teachers will continue to work with you on your child's well-being in the various domains, including cognitive and social & moral through phone call or email.

Thank you for your continuous support and partnership in your child's learning journey with the school.
