### B. Notification on Healthy Packed Lunches

(Mrs Adeline Ang, Teacher-in-charge, Holistic Health Committee)

In Park View, we are committed to nurturing pupils who are able to lead an active and healthy lifestyle. Our survey findings indicated that some of our pupils do not have a healthy and balanced diet. We have allocated Wednesdays as Healthy Wednesdays to encourage our pupils to bring healthy food and eat healthily. In addition, our teachers will also be teaching pupils on healthy living during assemblies on Wednesdays.

We hope that you will support us by playing the important role in setting a good foundation for your child's dietary habits at home. Teach your child to choose healthy food and encourage them to lead an active lifestyle. Adopting a healthy lifestyle will help your children to keep fit, look better and concentrate better in their studies.

We would strongly advise you to refrain from packing unhealthy snacks such as potato chips, fried nuggets and chicken wings from home. Kindly consider healthier alternatives such as fruits, vegetables, wholemeal bread and milk to ensure your child has a well-balanced diet.

### C. Supervision of P3 – 6 pupils before CCA

(Mrs Tina Loi, HOD Aesthetics)

CCA is an integral part of a holistic and well-rounded education. The school now provides supervision for your child **if your child is participating in CCAs that are conducted on weekday afternoons**. Your child will be able to study or complete his/her homework in a conducive environment between 2.45 pm and 4.00 pm ('Supervision Period').

Your child would have received his/her individual consent form from his/her form teacher on 26 January 2016. Please note that this supervision is optional and not compulsory. If you have any queries, please do not hesitate to contact Ms Ainy, SPE at 65851421 or Mrs Tina Loi at [lim\\_hwee\\_tin\\_a@moe.edu.sg](mailto:lim_hwee_tin_a@moe.edu.sg).
