### B. Issuing of P3 to P6 Pupils' Report Books

(Madam Haslindah Bahrom, VP)

The MOE ICT system is currently experiencing some technical difficulties in generating the holistic development profile reports (result slips). As such, the school can only issue report books on 25 May 2016. Report books are to be returned to the school when school reopens on 27 June 2016.

Should there be any change to results required, please note that the change can only be made on the results management system in Term 3. For any clarification, please contact the Form Teacher via email or telephone.

### C. World Play Day at Cerebral Palsy Alliance Singapore

(Mdm Pang Cui Ling, HOD CCE)

On behalf of The Cerebral Palsy Alliance Singapore (CPAS), we would like to thank P1 parents who have indicated their interest in participating in the World Play Day 2016 carnival. The details of the event:

Theme : Super Hero! Play for All Ages  
Day/Date : Saturday, 28<sup>th</sup> May 2016

65 Pasir Ris Drive 1

their premises (no charge) on that day. However, do be prepared that it is about 10-15 minutes' walk from CPAS. Alternatively, you can also park at the HDB carpark opposite CPAS.

For selected SLC Key Leaders who are volunteering at CPAS for the above event, please have breakfast at home before reporting to Miss Tan and Miss Mas at the School Canteen by 7.30am. Please bring along your water bottles and pocket money (optional) and come in your SLC T-shirts.

## D. Health-Related Matters for June Holidays - Reminder

(Mr Edward Leong Chee Wah, VP Admin)

As we continue to place emphasis on personal hygiene and social responsibility, we would like to highlight some health-related SOPs:

### 1. Online-Travel Declaration for June Holidays

If you are planning to travel overseas with your child/ward during the school holidays, please login to our Learning Management System (LMS) portal, McOnline, to make your travel declaration. All P1 students need to declare their travel plans regardless of travel intent. The rationale is that P1 parents and their children are new to the school environment and it is helpful for them to understand the system of reporting better. For other levels, only parents of those students who intend to travel need to declare the travel plans of their children.

### 2. Update Particulars of Students

If you have changed your residential address and/or contact numbers, please provide your child/ward's Form Teacher with the updates as soon as possible.

## E. Healthy Meals at School Program (HMSP)

(Mr Edward Leong Chee Wah, VP Admin)

We thank all parents, children, staff and canteen operators for making this possible. More and more children are beginning to eat/accept wholemeal grain, fruits and vegetable. In accordance with the following implementation timeline, the school canteen will serve healthy meal every day from Term 3 onwards:

T1	Healthy food once a week	Every Friday ( commencing T1W2, i.e. 15 Jan 2016)
T2	Healthy food twice a week	Every Monday and Friday
T3	Healthy food everyday	Full implementation and compliance with HPB directive

At this juncture, we would like to encourage parents to continue the joint effort with the school in inculcating our children the value of eating healthily.
