The school is collaborating with National Environment Agency (NEA) and Hillview@Elias RC on a Values in Action (VIA) programme, Litter-free Neighbourhood, for P4 students. The objectives are to:

- develop and instill a sense of pride and belonging to Pasir Ris neighbourhood
- helps students understand that they play an important role in caring for the neighbourhood
- provide a platform for students to contribute to a clean and green Pasir Ris neighbourhood
- guide students in empathising with the cleaners

During the programme, students will be picking litter at selected residential blocks in Pasir Ris West. They will undergo a series of pre-VIA lessons to equip them with the necessary knowledge, skills and values to prepare them for the programme. We are privileged to have the opportunity to work in partnership with NEA in the conduct of the NEA Clean Singapore Trail to enable our students to develop a deeper understanding of the importance of keeping Singapore clean.
