| 27 May Fri | Parent-Teachers' Meeting (8.00am – 3.00pm) Students do not have to attend school. No CCA |
| 28 May Sat | Parent-Teachers' Meeting (8.00am – 1.00pm) Students do not have to attend school |

B. Primary 1 and 2 Self and Family Survey

(Miss Tabitha Chew, SH Aesthetics)

As part of the school's efforts to have a better understanding of your child/ward, we would like to conduct a self and family survey. This survey would give us insights into how we can partner you to provide a conducive environment for your child/ward. We would appreciate if you could complete the self and family survey attached and submit it to your child's/ward's Form Teacher by 10 May 2016.

C. Primary 1 and 2 Co-curricular Programme (CCP) Survey

(Mrs Tina Loi, HOD Aesthetics/CCA)

Our school believes that CCAs are an integral part of a holistic and well-rounded education that we seek to provide to all students. In order for the school to better manage our CCA programme for P3 to 6, we would like to conduct a profile survey in P1 and 2 to capture the

PARK VIEW PRIMARY SCHOOL

60 Pasir Ris Drive 1 Singapore 519524. Tel: 6585 1421 Fax: 6585 1401

interests, needs and important details of any sports/games/arts activities that your child/ward is currently or competitively involved in outside school, for eg, competitive swimming, golf, piano, ballet, speech and drama etc. This information is vital to help us identify and groom our young talents early and best match their interests to their choice CCA in P3.

If you wish for your child/ward to represent the school in school competitions in these sports/games/art forms, we will try our best to provide the necessary support if your child/ward is eligible to take part in the school competitions.

Kindly complete the survey form (distributed separately) and submit to the Form Teacher by 10 May 2016. For assistance, please contact Ms Ainy (SPE) at 9838 5934 or 65851421.

D. Health-Related Matters for June Holidays

(Mr Edward Leong Chee Wah, VP Admin)

As we continue to place emphasis on personal hygiene and social responsibility, we would like to highlight some health-related SOPs:

1. Online-Travel Declaration for June Holidays

If you are planning to travel overseas with your child/ward during the school holidays, please login to our Learning Management System (LMS) portal, McOnline, to make your travel declaration. All P1 students need to declare their travel plans regardless of travel intent. The rationale is that P1 parents and their children are new to the school environment and it is helpful for them to understand the system of reporting better. For other levels, only parents of those students who intend to travel need to declare the travel plans of their children.

2. Update Particulars of Students

If you have changed your residential address and/or contact numbers, please provide your child/ward's Form Teacher with the updates as soon as possible.

3. Haze Management Readiness

As part of the Haze Management Readiness, we would like to remind students with medical condition such as breathing difficulties, to have their medication with them (for example, inhalers for children with asthma).

E. Parking in the School Premise – a reminder

(Mr Edward Leong Chee Wah, VP Admin)

We have observed that our car park has reached its maximum capacity. Some of our staff members who drive are not able to get parking lots. With PERI (infrastructure) upgrading project starting in mid-May, the number of parking lots will be further reduced.

As this is a school parking area, the school management will reserve the parking lots for our school staff members. As such, all parents are advised to park at the multi-storey car park near the school at Block 635A Pasir Ris Dr 1. However, you may park your cars in the available parking lots before the vehicular gantry on Mondays to Fridays after 3.30 pm.

PARK VIEW PRIMARY SCHOOL

60 Pasir Ris Drive 1 Singapore 519524. Tel: 6585 1421 Fax: 6585 1401

We seek your understanding of the constraints and to cooperate with our security officers and/or staff members who are enforcing the policy.

F. Sending of Forgotten Items & Displaying of Security Pass

(Mr Edward Leong Chee Wah, VP Admin)

To instill a sense of responsibility in students, parents should refrain from sending items to children during curriculum time. We have been receiving several such requests recently for items which include lunch boxes, forgotten homework or textbooks. We should teach our students to take ownership of their own work/belongings and to develop the good habit of packing their bags correctly the night before. Therefore, they should take the responsibility for forgetting to bring an item to school. If they have forgotten to bring their pocket money, they should seek assistance from their Form Teacher.

However, in the event that the item is of critical importance, e.g. medication, you can arrange for it to be taken to your child/ward.

We understand that some parents and caregivers have requested to come into school for lunch with their children/charges during **dismissal time**. While we try our best to meet the needs of parents, we hope parents understand that the school will always put safety and security of our students first before considering the convenience of parents.

In view of this, **parents/caregivers will be asked to leave the canteen if they are not wearing the security passes with red, orange or purple lanyards**. We seek your cooperation in this matter.

G. National Family Celebrations - Eat With Your Family Day 2016

(Mr. Edward Leong Chee Wah, VP Admin)

As part of National Family Celebrations 2016, Centre for Fathering will be organising a nationwide "Eat with Your Family Day" on Friday, 27 May 2016. This event is to encourage all Singaporeans to consciously set aside time on that day to be with their families through the simple action of having a family meal.

As part of the celebration, our students will each receive a "My Dad for Life" kit containing a Father's Day card (that they can personalise) and a wristband for them to present to their fathers or father figures in their families. The wristband is a token of the community's appreciation for fathers. We want to celebrate fathers and recognise their important roles in the family. There will be a "Dad Spotting Community Movement" during the four weekends in June at high-traffic MRT stations and malls, and during two weekdays per week at the Central Business District. Fathers spotted by the movement crew wearing the bands will be given various discounts and free gifts provided by our community partners supporting the Celebrating Father's movement.
