I. Values in Practice Programme, VIP@Home

(Mdm Pang Cui Ling, HOD Character & Citizenship Education Department)

The Values in Practice (VIP) Programme aims to promote the demonstration of the school shared values both in school and at home. The school recognises the important role parents play in character development. Hence, we have collaborated with the Parent Support Group to develop VIP@Home tasks to encourage parents to play an active part in teaching and promoting our school shared values at home.

PARK VIEW PRIMARY SCHOOL

60 Pasir Ris Drive 1 Singapore 519524. Tel: 6585 1421 Fax: 6585 1401

VIP@Home consists of 20 tasks for students to complete at home. We would like to encourage you to acknowledge your child's completion of tasks at home by placing your signature next to the tasks in the VIP@Home segment. You are strongly encouraged to explain to your child what he/she has done well that earned him/her your endorsement, creating greater impact on character development.

If you have yet to optimise the use of the VIP Passport in the character development of your child, it is a good time for you to set targets together with your child now so that you can monitor his/her improvement in character development for the next few weeks. Your child's Form Teacher will collect the VIP Passports by **Tuesday 13 September 2016** during the FTGP period.
