## GREEN TIP

- ✓ If you have an instantaneous water heater, switch it on before you shower and turn it off after use.
- ✓ If you have a storage water heater, switch it on about 20 minutes before taking a bath and switch it off after use. Leaving it on for too much time wastes energy.

3RD ISSUE NO.: 03 / 2011

## Library Fiesta cum Racial Harmony

Four Friends and a Baby - a skit by Act 3

Askit by our very own pupils

A double celebration made it doubly fun when Park View celebrated the Library Fiesta and Racial Harmony Day together.

The theme "Colours in Harmony and Diversity in Friendship" was well translated in the songs and skits, food and games, as well as the costumes worn by the teachers and pupils.

The Library Fiesta kicked off on 18 July 2011 with a hilarious but meaningful skit put up by Act 3 Theatrics entitled "Four Friends and a Baby" and an opening performance by pupils with the hit song "Gotta Keep Reading". The movies "Harry Potter" and "Charlotte's Web", which depicted the meanings of friendships among friends of different cultures, were screened at the Hotspot during that week. There were activities such as debate, public speaking, storytelling and book displays.

Racial Harmony is both embraced by our teachers and pupils in our Racial Harmony fashion parade show

The excitement did not end there. On 21st July, to commemorate Racial Harmony Day, pupils and teachers took part in a fashion parade on stage in their traditional costumes. There was a burst of colours during recess when mini stalls were set up and traditional food like satay and ketupat, muruku and peanuts were sold at the canteen. Pupils had an enjoyable time playing traditional games like five stones, kuti-kuti and chapteh. A bevy of graceful Punjabi dancers entertained the crowds with their upbeat moves and music.

The fiesta ended with a bang! A rock band accompanied the pupils in the finale with the message "Gotta Keep Reading". We did it again, Park View!

A rock band supporting our Library Fiesta's message, "Gotta Keep Reading"

# PVPS 15th Anniversary Walk-A-Jog cum Family Day

Almost 800 people gathered at Park View Primary School on the morning of 23 July 2011 for a Walk-a-Jog cum Family Day. Park View celebrates its 15th Anniversary this year. To kick start the celebration, the Walk-a-Jog cum Family Day was held. The school leveraged on the Walk-a-Jog to raise funds for several specific purposes. The funds raised would go towards canteen improvements, increasing self-study spaces, an installation of a turnstile gate at the back gate and in purchasing stepping stools for the lower primary pupils.

Exercise brings about fitness!

Training them young to enter the army

Busy writing wristbands

Getting the moods high before the race

Token of appreciation to the Guest-of-Honour

VP and SAC chairman, participating in the event

The Guest-of-Honour who graced the occasion was Dr Janil Puthuchery MP for Pasir Ris – Punggol GRC. With the blast of a horn, he signalled the start of the 3 Km Walk-a-Jog round the vicinity of the school at about 8.15 am. This was followed by the popping of colourful streamers and the cutting of exquisitely arranged cupcakes, heightening the joyful atmosphere of the occasion.

Cupcakes are ready

Enjoying the walk

Sounding the horn

Participants also had a chance to patronise the stalls set up by the P4 and P5 pupils as well as parent volunteers. Through the donations from the Walk-a-Jog cards, the children's market and the PSG flea market, a sum of about \$30,000 was raised.

The radiant morning sky that day had indeed, so aptly, reflected the cheery mood of the occasion and the camaraderie among its various participants.

One lucky winner

Gorgeous prizes!

# REFLECTIONS

Mr Lim Jit Hin (Vice-Principal)

The Walk-a-Jog was a great success. It was a very meaningful way of celebrating Park View's 15th Anniversary. The event brought the whole community together to participate in a wide range of activities, from fun physical exercises to the demonstration of enterprising skills by our pupils. The love and commitment for the school and the teamwork among our pupils, teachers and parents made me feel very proud to be part of the school's history.

Enjoying the ride

Miss Sumiko Tan (PE Teacher)

This event is the first event I have organised with the PE department since I joined the school. I enjoyed the Walk-a-Jog event as it not only enabled the students and teachers to bond, it also helped to build relationships between parents and their children. I witnessed how the PSG, pupils, parents, teachers and the staff of the school came together to make this a successful event. Families were crossing the ending point and holding hands with wide smiles on their faces. The participants were excited about the prizes presented at the Walk-a-Jog. Overall, I had fun organising and being part of the event.

READY, SET, GO!

Mr Davinder (MT Teacher)

What a proud moment it was to be a part of the school's 15th anniversary celebrations! It was encouraging to see so many pupils and their family members taking part in the Walk-a-Jog and also showing support for our children's market. A joyous moment that saw everyone synergize towards success! Onward Park View!

Multiculturalism at its best

Mr Chong (Vice-Principal)

I want to take this opportunity to thank every member of the school fraternity, be it staff or pupils, as well as the PSG, as they had generously given their time, sweat and money to help the school raise funds. Overall, I feel the Walk-a-Jog cum Family Day was a resounding success as it brought our staff, pupils and their families together for a day of fun and excitement. I am glad to see that the efforts of our P4 and P5 pupils paid off for the Children's Market activity.

Even the kids are doing their part!

# PUPIL'S REFLECTIONS

Mirdhal 6F

For the Walk-a-Jog, we had to walk and jog around the neighbourhood of the school. We were proud that everyone succeeded in completing it. There was a P4 and P5 Children's Market. There was a lucky draw too. I nearly got an iPod Shuffle! On the whole, it was a fun experience as it was the first time I attended school on a weekend to celebrate Park View's 15th birthday.

Spectacular sight!

First family!

Nur Emellia 5F

It was fun helping out at the game stalls. The Lucky Draw was great. My friends donated a lot of items. Mr Lim was very kind to donate a bicycle to my class which we sold for thirty dollars. I am proud of the amount of money my class had raised.

Oldest participant!

Kristle Loh Yoke Yin 4C

From participating in the P4 Children's Market, I learnt how to manage money as well as promoting and selling our products. We also worked as a team. With teamwork, we were able to achieve our goal.

Yummy cupcakes!

Youngest participant

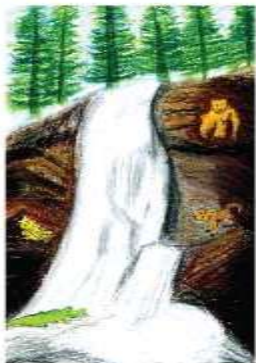

Grace Keh 6F

Many families participated in the Walk-a-Jog. All were determined to complete the distance. It was a very enjoyable and meaningful event as it strengthened the bonds among the family members. I had a great time and I am sure that everyone had a great time too.

Eshaddai 4D

The Walk-a-Jog was interesting and fun. I also played a lot of games at the different stalls. The most exciting part was when the Lucky Draw was held but I did not win anything.

# MY SINGAPORE

Buildings in Singapore cannot be taller than 280 metres. The three tallest buildings in Singapore are the OUB Centre, OUB Plaza and Republic Plaza.

# WORDSWORTH

Which is the correct spelling: 'goody bag' or 'goodie bag'? Both spellings are acceptable.

What is the difference between 'advice' and 'advise'?

'Advice' is the noun whereas 'advise' is the verb.

You advise someone and take advice from someone.

# National Day Celebration & Mini Olympics 2 @ PVPS

In conjunction with National Day 2011, the whole school came to life with bustling activities for everyone to enjoy. The school kicked off the celebration in the morning where the pupils gathered in the parade square for the observance ceremony and sang National Day Theme Songs. Based on the theme, "Majulah! The Singapore Spirit", our pupils then celebrated the nation's 46th birthday in different ways.

Gettin' ready

Binding together as one

My beautiful lion

Hey, watch me draw!

P1 Olympics - Watch me play!

Do you like the map we have created?

P1 Olympics - Here I come!

The Primary One and Two pupils had their Mini Olympics where they participated in telematches and played different games at the different stations. They played hard and overcame the challenges of each station. In the end, Lion House emerged as the champion for P1 while Falcon House was the champion for P2 for the Mini Olympics. The overall champion for the two levels was Falcon House. Every pupil was a winner and they went home proudly with a medal.

P1 Olympics - Badminton!

The Primary Three pupils did craft work where they used a paper cup and created a Singapore Flag with red paint and white and red crepe paper. Through this activity, they learnt more about the Singapore Flag and the symbolism behind it.

Let's dance!

Meanwhile, the Primary Four pupils had a lot of fun composing a rap based on the various National Day Theme Songs. They demonstrated lots of creativity and enjoyed themselves very much during the activity.

It's mine!

P1 Olympics - Look, no hands!

As for the Primary Five and Primary Six pupils, they took part in a doodling competition. Besides showcasing their artistic talents, the Primary Five pupils shared their creative perspectives on what the Singapore Spirit means to them while the Primary Six pupils were able to express their sense of nationhood and identity.

P2 Olympics - Steady... Kick...

My Singapore

At the end of the celebration, everyone went home early.

Wow, looker the friend!

We are the winners!
