PVPS-2025-02

17 January 2025

Dear Parents/Guardians,

Greetings from Park View Primary School!

A. [All] Lunar New Year Celebrations on 28 January 2025 (Tuesday)

We will be having our Lunar New Year celebrations on Tuesday, 28 January 2025. The school hours will be from 7.30 am to 10.00am. Please make the necessary transport arrangements for your child.

Lessons will be suspended for that day. Students are encouraged to put on Chinese traditional attire on that day. Black school shoes are to be worn. For those who do not have any Chinese traditional attire, they can come in their school uniform/PE attire.

Students will report back to school on Friday, 31 January 2025.

On behalf of the Principal and Staff of Park View Primary School, we wish families celebrating the festival a happy and prosperous Lunar New Year.

B. [All] Assessment Matters

Assessment plays a vital role in supporting teaching and learning. It provides valuable insights to your child/ward, the teachers, and you. In school, teachers employ a variety of formative assessment techniques, such as questioning, providing feedback, and facilitating peer and self-assessment. These approaches help guide and support your child's/ward's learning journey. To build confidence and nurture a love for learning, students will engage in bite-sized assessments like topical reviews, listening tasks, and performance tasks. These smaller, focused assessments are designed to give students opportunities for success while encouraging consistent progress.

The school adopts a range of holistic assessment tasks, both formative and summative, to better enhance the learning and development of our students, as reflected in the table below.

Level	Semester 1	Semester 2	Remarks
Primary 1	Holistic Assessment (HA)	Holistic Assessment (HA)	Not Weighted
