PVPS-2024-04

1 March 2024

Dear Parents/Guardians,

A. [All] PVPS Speech Day

Please be informed that Speech Day will be held on **Friday, 8 March 2024**. There will be no school for all students on this day, except for prize winners and performing students. This year's Speech Day theme, "Embracing Change and Cultivating Resilience" highlights the significance of our commitment to developing our students' ability to adapt to new challenges and to fostering the resilience needed to overcome them.

B. [All] Travel Declaration for March School Holiday (Only declare if you are travelling overseas)

To ensure that schools continue to be a healthy and safe environment for all, we require parents/guardians to make a travel declaration for your child/ward if he/she will be travelling for the holidays.

To make a travel declaration for your child/ward via Parents' Gateway (PG), go to **[SERVICE > DECLARE TRAVELS]**. Please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, by **Friday, 8 March 2024**. Only one parent is required to make the declaration.

If your child/ward is not travelling during the holidays, no action is required.

When planning your travel, please refer to <https://www.ica.gov.sg/enter-transit-depart> for more information and updates. If there is a change in travel plan(s) after declaration, please submit a new travel declaration via PG if there is a change in travel destination or inform the school if the travel plan(s) are cancelled.

Thank you for your partnership and support to keep our school safe.

C. [P6] Primary 6 Parent-Teacher-Conferencing (PTC)

There will be a Parent-Teacher-Conferencing (PTC) session via Zoom for all Primary 6 parents on the following dates/time:

Dates	Time
Thursday, 21 March 2024	2.00 pm to 5.00 pm
Friday, 22 March 2024	8.00 am to 4.00 pm

The objectives of the PTC are to strengthen the home-school partnership and to provide a platform for you to meet up with teachers to discuss the holistic development of your child.

The time allocated for the meeting with the respective form/subject teachers is 10 minutes each. Registration for the PTC will be done through Parents Gateway and will open from **8 to 15 March 2024**.

More information on booking via Parents Gateway will be sent at a later date.

D. [P5] Primary 5 Learning Journey to Singapore Science Centre

The school will be organising a learning journey to the Singapore Science Centre for our P5 students on the topic 'Electricity'. The objective of the learning journey is to engage students in experiential learning through hands-on activities.

During the session, students will:

- recognise that an electric circuit consisting of an energy source (battery) and other circuit components (wire, bulb, switch) forms an electrical system.
- show an understanding that a current can only flow in a closed circuit.
- identify electrical conductors and insulators.
- construct simple circuits from circuit diagrams.
- investigate the effect of some variables on the current in a circuit and communicate findings.

The schedule of the learning journey is as follows:

Classes	Dates	Time
5C & 5I	Term 2 Week 3, 1 April 2024	1.00 pm to 5.00 pm
5R1 & 5R2	Term 2 Week 3, 2 April 2024	
5R3	Term 2 Week 3, 3 April 2024	

Students are to report to school as per normal. They will have their usual lessons until 1.00pm on that day and have their lunch in school before departing to Science Centre.

Please acknowledge your child's/ward's participation in the P5 Science Centre Learning Journey via Parents Gateway by **Monday, 18 March 2024**.

E. [P3] Primary 3 Learning Journey to Singapore Science Centre

The school is organising a learning journey to the Singapore Science Centre for our P3 students on the topic 'Fun with Animals'. The objective of the workshop is to engage students in experiential learning through hands-on activities.

During the session, students will:

- recognize some broad groups of animals.
- classify animals into broad groups based on their physical characteristics.
- observe various animals in their respective habitats.
