PVPS-2024-05

8 March 2024

Dear Parents/Guardians,

Principal's Message

Warm Greetings from Park View Primary School! We have come to the end of Term 1 and I would like to commend all our students for starting the year off right and well.

Today, the 8th of March is also our inaugural Speech Day and the theme for this year is "Embracing Change, Cultivating Resilience." It is not just a slogan; it is a lived experience for our students. I commend all our students for embodying adaptability, confidence, and resilience, showcasing exceptional achievements across sports, arts, and the academics. Aligned with our school's vision to nurture leaders of character, championing service and excellence, we persistently provide opportunities for our students to flourish through our specially curated Park View Experience.

Reflecting on 2023, our students' achievements extend beyond the tangible. They reveal the spirit of determination and the invaluable lessons learned through challenges overcome. It's not just about the wins; it's about the transformative journey that has shaped their characters.

Some examples include our recognition at the Singapore Youth Festival Arts Exhibition, where our students' art pieces were selected to be showcased on site. Our sports teams also did well with Top 3 finishes for Football, and I would also like to make a special mention to our P4 student Mikhail Zheng who was Champion in the National Schools Sports Climbing in 2023 and in fact, this year he once again emerged Champion in an international competition; the Hong Kong Boulder League where he competed against climbers from China and Hong Kong. So well done Mikhail! These are but only a small mention of the successes we have had in 2023.

A significant milestone for our graduating students is that of having successfully completed the PSLE. I am proud to announce that all our students have transitioned successfully to Secondary School, with the majority securing placements in their schools of choice. Their commendable acts of kindness and service in their new environments are a testament to the values instilled during their six years at Park View Primary School. I have received praises and affirmation from some of their Secondary School Principals that our students continue to demonstrate excellent qualities and values in their new schools. I look forward to them contributing and giving back to society in their new schools as well.

Looking ahead to the rest of 2024, we have embarked on an exciting journey with numerous activities, including our recent participation in Chingay 2024 and Wits and Words. We also have yet another Singapore Book of Records that we hope to break, our annual PVPS Family Run & Walk Challenge as well as many other programmes lined up for both students and parents! The enthusiasm is palpable, and we eagerly anticipate more achievements in the upcoming months. Let us continue to rally behind our students, supporting them in all their endeavors.

We will kick off Term 2 with our Volleyball Senior Boys competing in the National School Games finals against Ai Tong School. Regardless of the outcome, what matters most is the transformative journey they've undertaken to reach this stage. To our boys, we believe in your capabilities, and the entire school stands behind you! Our other ongoing sports endeavors have also seen commendable success. Our Volleyball Senior girls have recently completed their competition and they have been placed 5th in League 2, so well done to them too! We also continue to extend our unwavering encouragement and support to all our student athletes as well as to our Performing Arts students as they prepare for the Singapore Youth Festival!

Embracing change and cultivating resilience are not just principles for today; they are tools for shaping a confident and resilient future. We will continue to help our students further embrace change, build confidence for the 21st century, and overcome challenges with resilience. Let's reimagine our future together. Each day is an opportunity for growth, and we believe in our students' potential to make a lasting impact.

I also want to express our deepest gratitude to you, our parents. Your continued support is the backbone of our success. Thank you for entrusting us with the education and growth of your children. Your partnership is invaluable, and together, we create an environment where our students can truly thrive. And I truly believe that here at Park View Primary School, alone we can do so little, but together we can do much.

As we move into Term 2, please find attached the Calendar of Events to help you and your child plan for the term ahead. Let us continue to work together to help our students continue to grow and excel! We do hope you will be able to take some time as well to recharge with your children and we look forward to welcoming our students back in Term 2.

On behalf of the Park View family, we wish you a restful Term break.

Yours sincerely,

Miss Jamie Lie
Principal
