# Our Student Centric, Values – Driven Curriculum

## **Broaden definition of Success (Shift from Achievements to Contributions)**

- Authentic real-life situations/Contemporary issues
- Thinking dispositions (Thinking routines and Studio Habits of Mind)
- Joy of learning, Singapore Spirit and Entrepreneurial Dare
- Learn for life (pursuit of interest), Embrace all learners (learning styles and needs) and Student well-being (choice and voice)
- E21 CC, SEL, CCE and School Values

# Our Assessment

- Holistic assessment of students based on subject specific learning outcomes (LOs)
  - ✓ Embrace both process & outcome of artistic learning & practice
  - ✓ Develop student's ability to evaluate own composition & adopt different perspectives
