Principal's Message

Greetings from Park View Primary School as we welcome the new year! We hope you have enjoyed a restful year-end break with your children.

As we step into a new school year, we look back with gratitude and pride on the many meaningful moments of 2025. It was a year filled with growth, perseverance, and achievement for our students. From our Primary 1 students confidently completing their first year of in primary school, to our Primary 6 cohort concluding their primary school journey after the PSLE; each child has demonstrated resilience and determination in their own unique way.

We are especially proud of the Class of 2025 for their commendable performance in the PSLE. With our students progressing on to their choice Secondary School, this achievement reflects not only their hard work, but also the strong partnership between our dedicated teachers and supportive parents who have guided our students every step of the way.

All our other students have also reached new milestones as they progressed to new levels, adapted to fresh challenges, and formed new friendships. It has truly been a fulfilling year for the entire Park View family. As we congratulate and bid farewell to our graduating cohort, we are delighted to welcome the new Primary 1 students of 2026. Starting a new school journey may bring both excitement and uncertainty, but we are confident that our newest members of the Park View family will soon feel right at home in our caring and vibrant community.

As we look ahead to a promising and dynamic 2026, we reaffirm our commitment to nurturing every child into a Leader of Character. Holistic development remains at the heart of the Park View Experience, and we will continue to provide a wide range of engaging academic and co-curricular programmes that build confidence, curiosity, and a love for learning. Through these opportunities, we hope to empower our students to become self-directed learners who serve with purpose and strive for excellence—living out our vision of being “Leaders of Character, championing Service and Excellence.”

We extend our heartfelt appreciation to our parents for your continued trust and partnership. Your support plays a vital role in your child's success, and we look forward to working closely with you in the year ahead.

May 2025 be filled with happiness, good health, and many new achievements for every family. On behalf of the Park View Primary School community, we wish you and your loved ones a joyful and fulfilling New Year.

Yours sincerely,

Ms Jamie Lie

We seek parents' co-operation on the following safety matters:

- For parents who drive into the school in the morning, do reduce your speed and watch out for our staff who are reversing their cars to park at the parking lots along the driveway. Please drive off immediately once your child/ward alights at the drop-off point especially on rainy days to facilitate smooth traffic flow.
- During dismissal, do not park outside the school main gate which could cause potential safety hazards. Do use the nearby HDB carpark to ensure the safety of all.

All parents/visitors are to register at the Security Post accessible via the front gate (Gate A) and proceed to General Office for assistance.

To deliver lunch boxes for your child/ward, parents/caregivers may:

- hand the lunch box directly to your child/ward at the front gate (Gate A) or side gate (Gate D) if delivering during school dismissal time; or
- place the clearly labelled lunch box (with the child's/ward's name and class) at the front gate (Gate A) if delivering earlier than school dismissal time. Do make prior arrangement for your child/ward to collect the lunch box from the security guard post.

C. DAILY ATTENDANCE MONITORING & STUDENT WELL-BEING

Please be informed that if your child/ward is not present during the attendance-taking, you will receive the following SMS notification:

"Dear Parent/Guardian, your child/ward is not in school today. Please contact the General Office at 6585 1421 for clarifications if any. Thank you."

Do inform your child's/ward's Form Teacher of the reason for his absence and submit the respective supporting document such as medical certificate (MC) or doctor's memo, etc. the next day when he/she reports to school.

If your child/ward is unwell, please ensure that he/she stays at home and seeks medical attention if necessary. Your child/ward should be well before returning to school. If your child/ward is recovering from respiratory-related illnesses, please encourage him/her to exercise social responsibility (e.g., by wearing a mask, minimising social interactions with big groups).

We would appreciate it if you could inform the school immediately if your child/ward is diagnosed with COVID-19, chicken pox, Hand, Foot and Mouth Disease (HFMD) or other illness that may be contagious so that the school can take necessary precautionary measures.

If your child/ward is feeling unwell when he/she is in school, we will contact you to pick him/her from the General Office and seek medical attention immediately. **Students are not permitted to go home on their own during school hours for safety reasons.**

We seek parents'/guardians' support to keep our school a safe environment for students.

D. USAGE OF STUDENTS' IMAGE IN SCHOOL MEDIA

Photographs or video images of your child/ward may be captured during school programmes, activities and events such as classroom lessons, CCA, school camps and school concerts, etc. The school may use and publish such photographs and/or video recordings in school publications, website, social media channels and other communication channels.

E. BIRTHDAY CELEBRATIONS IN SCHOOL

We understand that some parents may wish to celebrate their child's/ward's birthday in school. To ensure the safety and well-being of all students, particularly those with food allergies and dietary restrictions, birthday cakes and goodie bags containing food items are not allowed. Additionally, other items such as gift packs are strongly discouraged. We kindly seek your understanding and cooperation in adhering to this policy.

F. PHOTO-TAKING FOR P1 AND P6 STUDENTS

MOE will be conducting the yearly photo-taking exercise for all students in Primary One (P1) and Primary Six (P6) for the purpose of generating the School Smart Card (SSC). The photo-taking will be conducted by SimplyGo Pte. Ltd. (SimplyGo)'s appointed vendor on behalf of MOE. The SSC serves as the student's identification card and can be used for concessionary travel on public transport and to borrow library books from the National Library Board and the school's library, amongst other usage.

The photo-taking session for our school is scheduled on **Friday, 9 January 2026**. Following the photo-taking, P1 students will get their SSCs by mid-March 2026, while the photos for P6 students will be used for the printing of Secondary SSCs when they are promoted to Secondary One in 2027. For P1 students, while pending the receipt of the SSCs, students can continue to use the Child Concession Card for free travel on public transport until 30 April 2026.

Please be informed that all P1 and P6 students are required to be dressed in their school uniform for the photo-taking session. Please also ensure that your child's/ward's hair is neat and tidy.

If your child/ward is unable to attend the photo-taking session, the school will either arrange for him/her to have his/her photo taken on another day or request the parent/guardian to submit a softcopy photo to the school.

If you have any queries, please feel free to contact the school's General Office at 6585 1421.
