Dear Parents/Guardians,

Principal's Message

Greetings from Park View Primary School!

As we conclude another enriching and purposeful semester, I would like to extend, on behalf of the entire school team, our heartfelt appreciation for your continued partnership and support. Your encouragement and trust remain invaluable in shaping a caring and vibrant learning environment where every Park View student can grow and thrive.

This semester, our students have demonstrated remarkable resilience, creativity, and strength of character across many learning experiences and school programmes. Through challenges and opportunities alike, they have continued to rise with confidence, adaptability, and determination — qualities that reflect the spirit of a true Park View student. Let us also celebrate all the successes and achievements of our students from SYF to NSG to the various competitions!

A key highlight of the semester was our recently concluded C³ Festival, which beautifully brought to life our school vision of “Leaders of Character, Championing Service and Excellence.” The festival provided meaningful opportunities for students to think deeply about community needs, collaborate purposefully, and design innovative solutions that could make a positive difference to others. We were heartened to witness the passion, empathy, and sense of responsibility demonstrated by our students as they engaged in authentic problem-solving and service to the school and community.

I would like to give a special shout-out to our Primary 5 students, who played a significant role in hosting and engaging a truly multi-generational group of participants - from preschoolers to senior citizens. Their confidence, care, and ability to connect meaningfully across generations were deeply commendable. Through their interactions, our students not only showcased leadership and communication skills, but also exemplified compassion, respect, and a genuine desire to serve others.

Beyond the C³ Festival, our students have continued to contribute positively through daily acts of kindness, collaborative learning experiences, and opportunities to support one another both in and beyond the classroom. These experiences remind us that education is not only about academic success, but also about nurturing individuals who lead with integrity, serve with purpose, and strive for excellence in all that they do.

We would also like to express our sincere appreciation to our parents and parent volunteers who have journeyed alongside us and supported the school in numerous ways throughout the semester. Your partnership continues to strengthen the sense of community that makes Park View such a special place for our children to learn and grow.

We would also like to take this opportunity to wish you and your children a restful and rejuvenating break filled with precious moments together. We look forward to welcoming our students back refreshed and ready for another exciting chapter of learning ahead.

Yours sincerely,

Ms Jamie Lie
