C. RECRUITMENT OF PARENT SUPPORT GROUP MEMBERS

Research has shown that parents' involvement plays a critical role in the child's growth and success. Benefits of parent-school partnership and effective parenting cannot occur in isolation from the school.

We therefore encourage you to join our Parent Support Group (PSG) so that you can partner the school in areas of human resource and expertise to provide an enriching holistic education for our students. You can sign up for activities that suit your schedule.

If you are interested to be part of the PSG family, please complete the PSG Recruitment Form through the link, <https://go.gov.sg/pvp-psg> or scan the QR code below. The person in charge will contact you after your registration.

We look forward to partnering with you to provide an enriching learning experience to bring out the best in your child/ward.
