Dear Parents/Guardians,

CHILDREN'S DAY CELEBRATION

The school will be celebrating Children's Day on **Thursday, 6 October 2022**. The Children's Day programmes aim to provide authentic platforms for students to have fun while learning and applying knowledge, skills and values through experiential learning. It is also a good opportunity for building positive relationships among students and teachers.

Prior to Children's Day celebration, we would be encouraging students to show gratitude through Celebrating Our Grands activities. We would also like to encourage our students to set aside some of their pocket money for donation as a way to make a difference to the lives of the disadvantaged in the community through their participation in the Community Chest Children's Day Appeal (CDA) 2022. It is a small, non-obligatory fundraising effort for students to play a bigger part in the community. Your child will be given a CDA donation envelope on **6 October 2022** and is required to return the sealed donation envelope to his/her form teacher by **Friday, 14 October 2022**. More information on CDA can be obtained by scanning the QR code on the envelope. If you would like to join your child in his/her giving journey by matching your child's donation, you may support CDA by scanning the PayNow QR code customised for our school:

As all students will be going for learning journeys on **6 October 2022**, they are to report to school in their **PE attire** for safety and comfort. Please note that there is **no change to the reporting and dismissal time** on that day as all learning journeys are conducted within the curriculum time. Students are to bring **a small bag, a water bottle, stationery, snacks** and a **plastic bag** for the learning journey. Form Teachers will inform students of specific items to bring nearer to the date (if any).

Leaders of Character, championing Service and Excellence.
