## Principal's Message

Greetings from Park View Primary School!

As we bid farewell to 2023, it gives me great pride and joy to reflect on the fantastic journey we've had at Park View Primary School. This year has been a testament to the vibrant spirit and active participation of our students, making it a truly memorable period of learning, growth, and shared experiences; true to what we hope to achieve with our unique Park View Experience. I hope you will also then be able to take some time to view our PVPS Yearbook 2023 to appreciate all that we have captured this year!

Throughout the year, we witnessed the enthusiasm and dedication of our students, who not only embraced their studies but also actively participated in numerous events and activities. From exciting learning journeys to various competitions, our students have truly exemplified the joy of learning and the essence of being a part of the Park View family.

As we approach a well-deserved break, I encourage each and every one of us to take this opportunity to wind down, relax, and recharge for the new year. I would also like to extend my heartfelt gratitude to all parents for your unwavering support throughout the year. Your cooperation has been integral to the success of our programs, and we are truly grateful for the partnership we share in educating and nurturing our students. It is through this collaboration that we continue to shape our students into Leaders of Character, instilling in them values that will guide them in their future endeavors.

As we look forward to the promising year of 2024, I am confident that together, we will continue to build a nurturing and inspiring environment for our students to thrive. May the upcoming holiday season bring you joy, relaxation, and quality time with your loved ones.

Leaders of Character, championing Service and Excellence.

## A. FIRST DAY OF SCHOOL FOR 2024

Please note that the school year for 2024 for all MOE primary schools will start on Tuesday, 2 January 2024. Similar to the arrangement this year, **Primary 1** students will report on the first day of school on **Tuesday, 2 January 2024**. **Primary 2 to 6** students will report to school on **Wednesday, 3 January 2024**.

While this move was introduced as part of measures to safeguard the well-being of the school community during the COVID-19 pandemic, the arrangements have worked well in helping the younger students ease into their new school environment on the first school day, and will continue to be in place moving forward.

## B. RELEASE OF 2023 PSLE RESULTS

The results of the 2023 Primary School Leaving Examination (PSLE) will be released on **Wednesday, 22 November 2023**. More details regarding the collection arrangement of the result slips will be shared with all Primary 6 parents/guardians.
