## Letter of Notification (2018-LN24)

### A [P6] Dragon Kiln Learning Journey

(Mrs Eileen Yap, Art Coordinator)

The school is organising a Dragon Kiln Learning Journey for our P6 students as part of our school's holistic educational experience. The objectives are:

- to allow students to view a variety of ceramic wares, identifying different cultures and styles from Asia
- to expose students to a studio pottery environment and to learn about the kiln's history, construction and firing
- to give students a chance to participate in a walkthrough in the dragon kiln, examine its interior and understand how pottery is being stacked in a traditional wood-fired kiln

Students are to report to school as per normal. The learning journey will be held on Tuesday, 9 October, during school hours. Please ensure your child brings along a clipboard, wet wipes, stationery, water bottle, light snacks, 2 plastic bags and medication (if any) to school that day.
