We would be happy to share with you the video montage on various awards and accomplishments attained by our students and staff in 2018. It will be placed in the school LMS McOnline portal after this Friday 16th November Prize Giving Ceremony. These recognitions are testimonies of the many noteworthy efforts put in by our students, staff and stakeholders in providing quality school experiences for our children. A big thank you to one and all.

Here, I would like to congratulate once again, the parents of students who have experienced success in the various fields. Without your support, your child would not have accomplished the success.

As we come to the close of the school year, I hope you will take time to reflect with your child on the year, his meaningful and memorable school experiences, his learning reflections and where he can do better the following year.

Have a safe, happy and restful November/December holidays. I look forward to seeing your child (Primary 2 to 6 in 2019) next year. To all our Primary 6 parents, I hope you have enjoyed the learning experiences with your child here in Park View, and we wish your child success and happiness in his next lap of educational journey.

Thank you.

Miss Oh See Moey
