D. [All] Safety Matters

(Miss Chua Mei Li, Vice Principal Admin)

We would like to seek parents' co-operation on the following safety matters:

- For parents who drive into the school in the morning, do reduce your speed and watch out for our staff who are reversing their cars to park at the parking lots along the driveway. Please also move off once your child alights at the drop-off point especially on rainy days to facilitate smooth traffic flow.
- Do observe the 1m safe distancing measure and avoid over-crowding while waiting for your child outside the school gates.
- During dismissal, please do not park outside the school main gate which could cause potential safety hazards. Do use the nearby HDB carpark to ensure the safety of all.

Attached to this letter is the Term 4 Calendar for your planning with your child. We look forward to your continued partnership and support as we journey together to help our children to have ownership and joy of their learning. Let us continue to exercise care, remain vigilant, practise personal and social responsibilities in school and at home to stay safe and strong, together.

Yours sincerely,

Miss Oh See Moey
