PVPS-2020-35  
19<sup>th</sup> November 2020

Dear Parents/Guardians,

As we come to the close of 2020, we would like to express our heartfelt appreciation to all of you for your unceasing support and collaboration with the school. It has indeed been a very challenging year for our students, staff and parents as we navigate together through the many 'firsts' facing the Covid-19 situation – full home-based learning (FHBL) during the circuit breaker period, wearing of face masks, practising safe management measures (SMM), observing personal hygiene and social responsibility. We have conducted Zoom sessions for lessons, meetings and celebrations such as National Day, Teachers' Day, Children's Day, P1 Little Stars, P2 Broadway and 2021 P1 Orientation. For tomorrow End-of-Year Prize Giving Ceremony, it will be another exciting zoom event!

We applaud the resilience and responsibility displayed by our students in this unprecedented year. Despite the many challenges faced daily, they have persevered on, taking ownership of their learning and being responsible and caring towards others. Our staff have also demonstrated much resilience and resourcefulness with an innovative spirit as they continuously learned new technological tools and skills to actively engage our students meaningfully. It is with this 'Can Do' attitude that our staff continue to design and deliver quality learning experiences for our students in various curricular and co-curricular programmes and activities.

Amidst this Covid-19 situation, we are glad to share and celebrate with you the many accomplishments of our students and staff (please view the 'Achievement' video which will be put up on the school website). Kudos to everyone!

We are also glad to share the 2020 Yearbook which weaved the school's events and happenings together to tell the story of how the PVPS Family stood together with the sense of hope, respect and care for self and others to fight off a faceless enemy, Covid -19. In this yearbook, we have captured the moments where the school celebrated together with gratitude in our hearts. The school yearbook has been given out today to our students. Please note that for siblings studying in the school, only one copy is issued to the older or oldest sibling, in line with our going green effort. Enjoy the Park View Experience via our yearbook!

Once again, a big thank you to all our parents, PSG, SAC, Alumni and Community Partners for your valuable support and synergistic partnership in making this year safe, joyful and meaningful for our PVPS Family. We look forward to your continued support. We wish everyone a great and restful vacation!

Yours sincerely,

Miss Oh See Moey  
Principal
